

Welcome to a special edition of the AVL Looms e-Shuttle!
June 9, 2008

In this issue:

What to do with AVL at Convergence Tampa!

The AVL Staff ... Your Partners in Weaving ... will be there to guide you through a myriad of activities going on in the AVL booth (#525), from weaving, to warping, to software demonstrations. And be sure to mark your calendars now so you **don't miss our Jacq3G™ Unveiling Celebration**, Tuesday night, June 24 (Preview Night) from 7-8 pm. We'll be dishing up yummy cake and giving you a sneak preview of our latest Jacquard loom.

We'd like to call your attention to two special workshops that will include the use of the AVL 24/24 Workshop Dobby Loom. Both of these workshops are being held beginning Sunday, June 22 through Tuesday, June 24 from 9am-4pm with a one hour lunch break, location to be announced onsite:

W329 ... Software, Structure, and Design with Jannie Taylor
W325 ... Two Sides to Every Cloth with Robyn Spady

In addition, Jannie Taylor will be giving a seminar on the use of the AVL Warping Wheel:

S531 ... Tips and Tricks with the AVL Warping Wheel: Saturday, June 28 from 9:30am-11 am. Location will be announced onsite.

We expect our **Jacq3G™** to draw a dizzying level of interest, so we're taking **Pre-Convergence sign up** for ½ hour sessions. To be sure you get this opportunity, give us a call at (530) 893-4915 x 236 to grab your timeslot.

All show purchases will receive our Show Discount, whether it be the smallest of items, a future AVL Workshop, or a loom and warping equipment. A purchase at any level gives you a chance to win a fabulous bucket of **Boca Trash**. It's the yummiest chocolate ever and made right there in Florida!

We're looking forward to seeing you all at Convergence Tampa!
